

Knowledge is your greatest asset.®

Citi Financial Education Curriculum Training Program

Become trained on the Citi Financial Education Curriculum so that you can share your knowledge as a volunteer, a parent, a family member, a member of your community, and as an employee.

How does it work?

The Citi Financial Education Training Program is designed to work around your busy schedule. Because the course is online, you can access it from wherever you have Internet access, either at work or from home.

How do I get started?

- Log onto <https://onlinelearning.citi.com/secure/login.jsp>
- Click on "Use your Access Key to enroll" under New Students
- Enter Access key **9339-Fetrain-8086** in field provided, hit send
- Complete profile and create Username and password, click submit
- Enter Username and password to enter site
- Click on the **Citi Financial Education Program** link in the center of the page
- Click on any course to begin
